SECTION ____.

(a) Notwithstanding any other provision of law to the contrary, the board shall issue a limited plumbing license to any person applying for a license to do plumbing work where the total cost of the same is less than twenty-five thousand dollars (\$25,000). The individual must submit credible evidence to the board that such person has a minimum of four thousand (4,000) hours of plumbing experience.

(b) Upon submission of credible proof of four thousand (4,000) hours of plumbing experience as required by subsection (a), a qualified person shall be permitted to perform limited license plumbing contracting services in any municipality, metropolitan government or county in the state of Tennessee as provided by provisions of Tennessee Code Annotated, Section 62-6-111(i).

(c) If a person possessing two thousand (2,000) hours of plumbing experience submits credible evidence to the board demonstrating such experience, the board shall administer appropriate testing to such person. Notwithstanding any other provision of law to the contrary, any locally licensed plumber licensed prior to this act who does not successfully fulfill the experience and/or testing requirement required by this act shall not be permitted to perform statewide plumbing services as provided in subsections (b) and (c) of Section ____ of this amendment.
